

## 2008 Summer Session Dates

### Session Dates:

(8) - One and a half hour classes per session.  
There are 2 sessions offered for each class.

**5<sup>th</sup> Grade Math:** 3:00 – 4:30 p.m.

Session 1 Dates: June 23, 25, 30,  
and July 2, 7, 9, 14, 16

Session 2 Dates: July 21, 23, 28, 30,  
and August 11, 13, 18, 20

**6<sup>th</sup> Grade Math:** 4:30 – 6:00 p.m.

Session 1 Dates: June 23, 25, 30,  
and July 2, 7, 9, 14, 16

Session 2 Dates: July 21, 23, 28, 30,  
and August 11, 13, 18, 20

**Pre - Algebra:** 6:00 – 7:30 p.m.

Session 1 Dates: June 23, 25, 30,  
and July 2, 7, 9, 14, 16

Session 2 Dates: July 21, 23, 28, 30,  
and August 11, 13, 18, 20

**Algebra I:** 3:00 – 4:30 p.m.

Session 1 Dates: June 24, 26  
and July 1, 8, 10, 15, 17, 22

Session 2 Dates: July 24, 29, 31  
and August 5, 7, 12, 14, 19

**Geometry:** 4:30 – 6:00 p.m.

Session 1 Dates: June 24, 26  
and July 1, 8, 10, 15, 17, 22

Session 2 Dates: July 24, 29, 31  
and August 5, 7, 12, 14, 19

**Algebra II:** 6:00 – 7:30 p.m.

Session 1 Dates: June 24, 26  
and July 1, 8, 10, 15, 17, 22

Session 2 Dates: July 24, 29, 31 and  
August 5, 7, 12, 14, 19

**Private Tutoring is available for all  
ages upon request including  
Trigonometry, Pre-Calculus,  
Calculus, and SAT Math Prep.**

“Dear Danielle, Thank you!!! With your help I got honor roll. At our school that means you just got A’s and B’s. My math grade last year was a C+. Now it is a B+. I get everything so far and I’m doing great.” - S.T.

*Don't miss this information packed  
class. Call now to reserve your  
spot...you'll come away inspired and  
ready to put your new skills and  
knowledge to work in your fall math  
course.*

### Danielle Whitney's Math Tutoring

890 W. 23rd Street  
San Pedro, California 90731

Phone: (310) 987-9103

Fax: (310) 832-2026

Email: [Danielle@DanielleWhitney.com](mailto:Danielle@DanielleWhitney.com)

**12 Hours Packed Full of  
100's of Tips, Tricks,  
and Drills, to motivate and  
improve the math skills of each student,  
while keeping "fun" in mind!**

**Danielle Whitney's  
Math Tutoring  
2008 Summer Sessions**

*“If you study to  
remember you will  
forget, but, if you  
study to understand,  
you will remember.”*

## 9 years of Math Tutoring Success!

### *My Philosophy and Commitment:*

“Confidence gives you courage and extends your reach. It lets you take greater risks and achieve far more than you ever thought possible.” (Cap. Mag.)

My qualifications and experience speak for themselves, but to hear the success stories from students who have benefited from my methods and advice, by not only improving their school grades, but also the ability to interpret and understand their math assignments is the greatest measurement of the success of this tutoring program.

I encourage students to find a passion and work hard to be successful. I also believe you have to allow balance in your life. Achieving balance during my school years was my motivation to come up with so many math tricks for memorization, accuracy, and

speed. I now share the tricks I used with my tutoring students.

I graduated from UCLA in 2005. My major was Applied Mathematics, which consisted of both math and management courses. I also had two minors – one in Computer Science and one in Accounting. I have been inducted into National

Honor Society, CA Scholarship Federation, United States Achievement Academy (11 awards), Who’s Who, Alpha Lambda Delta / Phi Beta Kappa Honor Society at UCLA, UCLA Outstanding Student Honor Society, Golden Key International Honor Society, and Mortar Board.

Coursework successfully completed includes Pre-Algebra, Algebra I, Geometry, Algebra II, Trigonometry, Pre-Calculus, AP Calculus, Analytic Geometry, Multi-Variable Calculus, Linear Algebra, Discrete Mathematics, Integration, Infinite Series, Differential Equations, Analysis, Numerical Methods, Optimization, and Statistics. I also received many awards in the scientific and mathematical fields and was the Valedictorian of Mary Star of the Sea High School’s graduating class of 2001.

Traveling and touring many cities in the United States, Mexico, and Europe, has created many memories and experiences I will treasure forever. I traveled abroad to Europe in 8th grade for a six country People to People tour and spent a summer in Spain on a student exchange program while at UCLA.

I have tutored students for nine years. I am a Keller William’s Real Estate Agent, who can proudly boast to being a partner of one of the top Keller William’s teams in the nation. I am currently studying to obtain my broker’s license. I also am a certified Notary Signing Agent.

I had the confidence and courage to follow my dreams, accomplish my goals, and look forward to my future. I want to instill this confidence in my students

- **math is a must in every life experience.**

*Danielle Whitney*

### *Limited Capacity*

**Reserve your spot today  
by remitting payment to:**

**Danielle Whitney  
890 West 23rd Street  
San Pedro, CA  
90731  
(310) 987-9103**

For most of us, the best way to learn math fundamentals and skills is repetition. Let a math guru use the “**Danielle Whitney**” method to demonstrate the steps, and explain both the thought process and the logic behind the equations.

Why? It’s simple... We love the challenge of math. We’ll start each information packed session with just **one goal**:

*To boost each student’s skills and techniques so they can be more productive, work faster, and understand the concepts better, therefore, enjoying the challenge.*

### **Enrollment Fee: (per session)**

**\$195 if paid before June 15, 2007**

**\$220 if paid after June 15, 2007**

### **Necessary Supplies:**

- **Scientific Calculator** (for Algebra I and above) Note: The TI-83 PLUS is a great calculator for mathematics and laboratory science in high school and is SAT approved. It is the calculator we recommend, but is not required for the classes.
- **3 ring binder with 2 sections (one for notes and one for assignments)**
- **Pencils (at least two) with erasers**
- **Paper**
